RENEWED PETITION UNDER 37 CFR 1.181

Sir:

Applicant's earlier "Petition to Withdraw Holding of Abandonment" was dismissed without prejudice on 20 September 2002 for failure to include our docket record where the non-received action would have been entered. That oversight has been remedied by a "Renewed Petition," annexed hereto, which includes copies of our docket.

It is respectfully submitted that the annexed Renewed Petition complies with 37 CFR 1.181 and MPEP section 711.03(c) and should be granted

RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Sir:

The undersigned attorney of record makes this statement in support of the applicant's PETITION for withdrawal of the Notification of Abandonment (pursuant to MPEP §711.03(c)).

1. On July 31, 2001, applicant filed the above-identified new National Stage Application Under PCT.

2. No further communication in this matter was received by the applicant's attorneys prior to the receipt on June 11, 2002 of a "Notification of Abandonment" mailed May 29, 2002.

3. Applicant's attorney declares under the penalty of perjury that no Notification of Missing Requirements was ever received, nor was a deadline for submitting the required items entered into our callup system for 11/14/2001, as would have been expected if the Notification were actually received. Our callup entry log for November 2001 is absent any entries whatever pertaining to a deadline in this application.

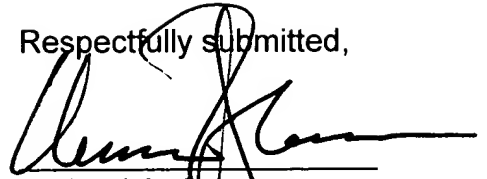

4. Annexed hereto pursuant to MPEP section 711.03(c) are our docket entries for the month of September 2001, the time period in which the non-received document (allegedly mailed September 14, 2001) would have been expected to arrive in our office and to have been docketed. Our docket number for this application, "0412-101P," is absent from the printout, indicating the non-receipt of the "Notification of Missing Requirements."

5. A significant amount of correspondence mailed by the USPTO during the last quarter of 2001 has not been received. This application is but one of many in which our office has been required to take this type of remedial action owing to the non-receipt of allegedly mailed USPTO correspondence.

6. It is respectfully requested, in view of the foregoing facts, i.e. the non-receipt of a Notification of Missing Requirements, that the holding of abandonment be withdrawn and that a new Notification of Missing Requirements be issued.
